

## Outokumpu Mining Hub – Ecosystem Network Registration Form

Please fill in the following form to officially register your organisation/company on the broader ecosystem network of the Outokumpu Mining Hub. The provided information will be used for cluster coordination purposes and, where permitted, for presentation on the cluster's official website.

### Organisation Information

Organisation / Company Name:

Business ID (Y-tunnus):

### Contact Person

Name:

Position:

Phone:

Email:

### Organisation Description

Please provide a short description of your organisation (activities, expertise, role in the mining sector, etc.):

### Organisation Logo

Please attach your company/organisation logo (high-resolution, .png or .jpg preferred). The logo may be displayed on the cluster's official website.

## Ecosystem Membership Benefits

By joining the Outokumpu Mining Hub ecosystem network, your organisation will gain:

- Newsletters and updates on current developments in the mining sector and the cluster's activities
- Invitations to participate in events, workshops, and networking sessions
- Opportunities for collaboration with companies, research institutions, and public actors in the mining and raw materials value chain
- Increased visibility through the cluster's communication channels (including the possibility to showcase your logo on the official website)
- Access to cross-border cooperation opportunities and innovation projects supporting the green transition in the mining sector

## Official Confirmation

By signing this form, the organisation confirms its official registration to the Outokumpu Mining Hub ecosystem network.

Date:

Name:

This ecosystem has been mapped and developed in the project "Outokumpu Mining Hub – Arvoverkostosta kohti klusteria ja ekosysteemiä," implemented by Business Joensuu Oy and the Geological Survey of Finland (GTK). The project duration is 1.6.2023–31.12.2025 and is funded by the European Union, the Regional Council of North Karelia, and Business Joensuu Oy.
